

Parent Teacher Connection

- The *mission* of the **Parent Teacher Connection (PTC)** is to be an inclusive organization that works to support Challenged Child and Friends, Inc. (CCAF). It is comprised of both parents and teachers who want to unite efforts to encourage the best learning environment for the children enrolled at CCAF. The PTC is also a support organization for all parents and teachers whose children attend CCAF. The PTC hopes for 100% participation from the parents and teachers of CCAF and PTC hopes to become a great resource to assist the school in both educational endeavors and volunteer efforts as well as become a strong support network for everyone involved. The PTC does not require a particular financial and/or time commitment but requests volunteers to help support CCAF PTC activities.

Get Involved , Get PTC Email Updates, and Join a PTC Committee!!! Provide your name and information. A Chair of the PTC will contact you with further information. Thanks!
