EXTENDED CARE/CHILD CARE SCHEDULE NOTICE: Challenged Child and Friends and Friends will not be able to offer childcare on the days that our center is closed or on staff development days on the above school-year calendar. This calendar is provided to help families make other child care arrangements for the days/weeks that we are closed for children's services and on early release days.* Because tuition is an annual fee, no refunds are given for illness, vacations or snow days, and those days are not made up. Challenged Child and Friends and Friends follows Hall County School System's procedures for closing during inclement weather.
